## Appendix “A”

### AFL NSW/ACT PRESCRIBED PENALTY SYSTEM FOR REPORTED PLAYERS

#### **Introduction**

The League has adopted the State and Territory Tribunal Guidelines for the purposes of dealing with Reportable Offences. Section 5 of the State and Territory Tribunal Guidelines contains grading templates for various classifications of offences and outlines the prescribed penalties which can be offered to reported Players (where applicable).

The system will not apply to Officials who are reported. Those reports will be heard by the Tribunal.

#### **Procedure**

Umpires shall report and charge Players in the usual manner. The reporting Umpire shall complete the Player Report Form template and forward to the League by 10.00 am on the Monday immediately following the Match (where reasonably practicable).

Once the Player Report Form and Report Template has been received the League’s Football Operations Co-ordinator will process the report and decide whether:

1. the offence by the Player is suitable for determination under the Prescribed Penalty System; or
2. the report should be referred to the Tribunal for determination.

If the offence and/or Player is suitable for determination under the Prescribed Penalty System, the prescribed penalty shall be offered to the Player (via the Club) on the Monday following the Match in which the Player was reported.

The Player (either directly or via the Club) shall notify the League of the acceptance or refusal to accept the set penalty no later than 4.00pm on the Tuesday following the Match in which the Player was reported (or at a later date as reasonably prescribed by the League if the prescribed penalty was provided later than Monday). If accepted, the penalty shall be recorded against the player’s record kept by the league. If the prescribed penalty is rejected the report shall be referred to the Tribunal for hearing at a time to be advised the League.

## Appendix “C” – Recording of Images

- (A) The law surrounding the taking of images, video and/or audio by way of electronic or any other means (**recording**), particularly of minors, is complex. AFL (NSWACT) takes this issue very seriously, and the provisions below are designed to assist Clubs, Officials, Players, families and supporters, as stakeholders, to deal with this complex issue. However, these provisions are not legal advice, and all stakeholders must make their own enquires. Whilst AFL NSWACT will provide information, guidance and assistance on these issues, the responsibility to ensure compliance with all legal (including statutory) provisions lies with individual stakeholders, as appropriate.
- (B) When a person enters private land, they consent to any requirements that the property owner may impose on them. This may include restrictions, including prohibitions on the making of a recording of events held on their land. There is nothing, however, to prevent a person from making a recording from outside of the borders of private land, regardless of the property owner’s preferences. In the absence of conduct that is offensive or threatening and unlikely to interfere with the public enjoyment of a public place, there is nothing to prevent a person from making a recording of minors in public places.
- (C) It is thus not generally illegal to make a recording of minors at sporting events, but a common-sense approach needs to be taken.
- (D) Persons making a recording and persons using such recordings must be mindful of the complex issues surrounding privacy.
- (E) Unless consent is specifically withdrawn, by reason of the Terms and Conditions of Participation the Player’s image in any form or medium is able to be used for general marketing and promotional activities.
- (F) By agreeing to the Terms and Conditions of Participation when Registration is effected, the Participant irrevocably consents to the use of Participant’s Footage and Likeness for competition management and administrative purposes
- (G) The provisions seek to strike a balance between concerns regarding privacy and the reasonable use of such images.
- (H) This Appendix governs the recording of images, video and/or audio by way of electronic or any other means (**recording**) of League activities where used by or for the use of or on behalf of Clubs and/or for, by or on behalf of their Officials (**recorder**). It must be read in conjunction with relevant Codes of Conduct and the Registration Terms and Conditions. Where this Appendix is inconsistent with specific provisions in the Registration Terms and Conditions, such specific provisions of the Terms and Conditions will prevail.
- (I) It sets out the terms and conditions on which such recording can take place, seeking to balance the reasonable expectations of privacy by the participants and the reasonable use of such recordings for legitimate purposes.
- (J) Recordings may only be used within the spirit of the game and within the Laws and consistent with the Code of Conduct.
- (K) In this document, **participant** means all Players, Club appointed Umpires and Team Officials, and does not include spectators and officially appointed Umpires.
- (L) The recorder may only record Matches and other AFL related activities such as practice Matches, training and drills (**activity** or **activities**) for legal, instructional, coaching and promotional purposes (**the accepted purposes**) and must not record activities for commercial, indecent, inappropriate or illegal purposes.

- (M) Subject to the direction and supervision of the League, and the direction or ruling by the relevant Code of Conduct Investigations Sub-Committee or Tribunal, such recording may be used for legitimate purposes in Code of Conduct investigations and/or Tribunal hearings.
- (N) The recorder must inform the ground manager (where appointed), the Coach and/or Team Manager of the Club and any Club (**other Club**) whose participants are involved in the activity to be recorded, before the recording is commenced. The other Club may not object to the recording being made. The Coaches and/or Team Managers must use their best endeavours to inform participants, and the parents and guardians of all participants who are minors, of the recording.
- (O) If a copy of the recording is requested by an official of the other Club (the **requestor**), the recorder must provide a copy within 3 working days after being provided by the requestor with suitable media on which to copy the recording. The requestor shall pay the amount identified in Table 1. The League may request a copy of the recording and advise the recorder of the media on which it wishes to receive the recording and such copy shall be provided to the League without charge within 3 working days.
- (P) None of the recorder, the requestor or the League shall provide a copy of the recording to any other party except with the written consent of both Clubs.
- (Q) None of the recorder, the requestor or the League shall post, stream or otherwise share the recording, including on the internet or social media. The recording may be shared for instructional, Coaching, Tribunal /Code of Conduct purposes but only by the Club, the other Club or the League. Except where used for the accepted purposes, none of the Applicant, the requestor or the League may make any other form of publication of the recording.
- (R) The requestor and the League may only use the recording for the purposes outlined in point 5 above.
- (S) A recording may be used for promotional purposes unless the consent of the parent or guardian of any players who are minors for the use of such recording has been withdrawn prior to its use.
- (T) Where informed consent is required, it is the sole responsibility of the party who is required to obtain the informed consent to obtain such informed consent.
- (U) The provisions of this document apply to recordings however and by whomever made or obtained.
- (V) Table 2 sets out various activities and how they are covered by this Appendix. However, the Table is for guidance only, and if there is any discrepancy between the Table and this document, the provisions of this Appendix prevail.
- (W) Breach of the terms of this document, or the spirit of the game or the Code of Conduct is an act of Misconduct under the AFL Laws, and will be dealt with pursuant to the Bylaws accordingly.

## **Zoning – Under 9, Under 10**

The modified rules used in these age groups give participants the best opportunity to participate in the game of AFL. An explanation of the zoning rules are as follows:

- The field is divided into three (3) zones: forwards, midfield and backs. These players are to be rotated through all of the zones during each match to ensure that all players are given the opportunity to experience all field positions. Four (4) distinguishable markers are to be placed at the sideline to mark the end of each zone.
- Forwards are the only players who are permitted to kick a score. These players are to wear a clearly identifiable armband to indicate that they are forward players. Should a midfield zone player kick the ball through the goal posts, no score shall be acknowledged, and play is to restart in the same fashion as when the ball goes out of bounds.
- It is important to understand that the marking of zones is to help both player and umpire understand where players should be. It is not an 'offside' marker as is the case in Netball, rather an indication that a player is close to the end of a zone. A player shall be given a small amount of leeway over the zone line to dispose of the ball. The Umpire and team coach shall communicate with players and attempt to ensure that the use of any leeway is kept to a minimum.
- Players are unable to take full possession of the ball at the start of play or the recommencement of play around the ground. The umpire should use different players from the zone that play is in to contest the bounce.
- The enjoyment of the players is paramount in the conduct of all matches in these age groups.

## **Spirit of the Game – Applicable to all age groups**

Before the start of play:

- All players, coaches and umpires should gather on the ground and shake hands
- The umpire and coaches should ensure that players are aware of the rules & procedures to be followed in the conduct of the game

The spirit of the game is to give all available players a game of football. Therefore:

- Where difficulty occurs fielding full numbers, both coaches must agree to even up player numbers
- Excess players should be given to the opposition team if they are unable to field the required numbers

The Umpire should at all times:

- Endeavour to apply the rules of the game while preferring to award free kicks to players in preference to calling ball ups
- Understand that the spirit of the AFL junior match rules for each age group is to enable all players to gather possession and that "the player in possession of the ball should be given every opportunity to kick or handball"
- Attempt to involve all players as the opportunities arise, particularly when indicating which players are to receive a free kick in the Junior Age groups (Under 12 and below)
